

## **Imaging Beyond Consumer Cameras – Proseminar (911.422)**

Exercise sheet C (April 14, 2018)

This exercise sheet **will not be graded** - It is mainly intended for you to experiment with the Bloch simulator to understand the underlying physics of MR imaging.

### **MR Imaging**

#### **Exercise 1.**

Watch parts 1-3 (4 is optional) of the Youtube video tutorial series (using the Bloch simulator) at

<https://www.youtube.com/playlist?list=PL23477A8FD874A872>

and try to correlate what you see in the simulations with the content of the lecture.
